ABOUT THE EVENTS

24th plenary meeting of CEN/TC 12 "Materials, Equipment and Offshore Structures for Petroleum, Petrochemical and Natural Gas Industries"

The Cyprus Organisation for Standardisation (CYS) will host the next plenary meeting of the European Technical Committee CEN/TC 12 as well as the meetings of the Standards Committee of IOGP and the Management Committee of ISO/TC 67.

At the meetings issues related to standardisation for materials, equipment and offshore structures used in the drilling, production, transport by pipelines and processing of liquid and gaseous hydrocarbons within the petroleum, petrochemical and natural gas industries, are expected to be addressed.

DELEGATES

Attendance to the meetings is granted to representatives of the Standardisation Bodies, members of CEN.

Experts and interested parties shall contact CYS to assure their nomination to the Cyprus delegation and to arrange participation to the upcoming meetings.
