

# CYPRUS ORGANISATION FOR STANDARDISATION (CYS)

## Join **CYS** on Social Media

The Cyprus Organisation for Standardisation (CYS) is the national Standards body of Cyprus.

CYS is a full member of the European Standards Organisation (ESO's – CEN, CENELEC, ETSI) as well as the International Standards Organisation ISO and IEC. Through its active participation in the European and international Standardisation, **CYS** promotes the national interest through the issuing and application of standards.
